

Still I'm Sad

The Yardbirds (With Jeff Beck)

See the stars come joining down from the skies
Gently passing, they kiss your tears when you cry
See the wind, the summer blow your hair upon your head
See the rain, the falling rain, it's great, still I'm sad
All my sounds my tears just fall into days
They are driving, the night will find they are lost
Now I found the wind is blowing time into my heart
When the wind blows hard we are apart, still I'm sad

See the stars come joining down from the skies
Gently passing, they kiss your tears when you cry
See the wind, the summer blow your hair upon your head
See the rain, the falling rain, it's great, still I'm sad
Still I'm sad, oh, heart, I'm sad
Still I'm sad, oh, heart
