

I Once Had Your Love (And I Can't Let Go)

The Isley Brothers

Every day I think of you
Can't believe it's true that I'm so into you
That I don't know where I'm goin'
I never felt this way before
All I wanna do is to love you, baby
Behind closed doors Ooh, I once had your lovin', baby
And I can't let go
I once had your lovin', baby
And I can't let go I once had your lovin', baby
And I can't let go
Don't let go
All of the good times that we shared Every day's a holiday
We could celebrate makin' love together
Ooh, let's keep this fire burnin'
Every day is new, girl
When I think of you I get so excited
Ooh, you keep my whole world turnin' I just had your lovin', baby
And I can't let go
I once had your lovin', baby
And I can't let go I once had your lovin', baby
And I can't let go
Don't let go
All of the good times that we shared Can't let you go
Can't let you go
Can't let you go
Can't let you go
Girl, I can't let you go
Sure as Heaven above
We found love You and I can fly away
Maybe to L.A. or some lovely island
Take a stroll along the ocean
Building castles in the sand
Doin' all the things we planned together
Ooh, I love you so much, baby I once had your lovin', baby
And I can't let go
I once had your lovin', baby
And I can't let go I once had your lovin', baby
And I can't let go
Don't let go

All of the good times that we shared
Once had your lovin', baby

And I can't let go

I once had your lovin', baby

And I can't let go
I once had your lovin', baby

And I can't let go

Can't let it go, girl
I once had your lovin', baby

And I can't let go

I once had your lovin', baby

And I can't let go
I once had your lovin', baby

And I can't let go

Can't let it go, no, no
Ooh, I once had your lovin', baby

And I can't let go

I once had your lovin', baby

And I can't let go
I once had your lovin', baby

And I can't let go

Can't let go
I once had your lovin', baby

Can't let go

I once had your lovin', baby

Can't let go

I once had your lovin', baby

And I can't let go, ooh
