

Anchor

Lifhouse

I stand with a blank expression now
And I can't believe myself
Will someone tell me how
Did I get here?
I am walking
Changing slowly
Why I am chasing
Climbing closer I know that I'll never be alone
You will never let me go
You are my anchor
Hold my hand
While I'm sinking in the sand
No one else could understand
You are my anchor It seems that I lost track of time
And I can't believe my mind
Would you save me if
I reached out to you
I'm waiting, watching, standing
Why I am reaching
Climbing closer I know that I'll never be alone
You will never let me go
You are my anchor
Hold my hand
While I'm sinking in the sand
No one else could understand
You are my anchor, yeah
Anchor, yeah, anchor, yeah Why I am walking
Changing slowly
I am chasing
Climbing closer I know that I'll never be alone
You will never let me go
You are my anchor
Hold my hand
While I'm sinking in the sand
No one else could understand
You are my anchor, yeah
Anchor, yeah, anchor, yeah Can you hear me
Hear me
Can you hear me
