Identity

Colton Dixon

We won't be told who we are
By the nation or the stars
We won't believe in all the lies
We know the truth insideWon't question how we're made
No, it wasn't a mistake
And it's not up for debateWe are the chosen
We are royalty
We are Your children
You set us free
You alone are our identity
We won't be moved by demands
We know the truth and we will standWe know there's so much more
Than what the world is living for
We won't be shaken, we are sureWe are the chosen
We are royalty
We are Your children
You set us free
You alone are my identityOh, whoa
We are
You alone are my identityWe won't be told who we are
By the nation or the stars
We won't be moved by demands
We know the truth and we will stand
We are the chosen
We are royalty
We are Your children
You set us free
You alone are my identityYeah
We are, we are
My identity, my identity
You set us free
You alone are my identity
