

# Loud 'n' Clear (Trudog 10)

TobyMac

(Intro)

Yeah! TruDeezy  
With the two thousand and tweezy  
To all you playa haters  
Hate the playa not the game baby

(Chorus)

Uh, we goin' put it on ya make it loud 'n' clear  
All of my shorties, whether far or near  
Since the last TruDog  
Its been three long years  
So we goin' make it loud  
We goin' make it loud 'n' clear

Im gonna make it clearer than a Southern California day  
And even louder 'cause the song i sing will never fade  
You really thought that T-R-U to D-O-G was endin' ?  
Listen homie, you don't even know me this is just beginning

Ten year veteran  
Servin' up medicine  
I rock a mic, you rock a trike  
Opps...your diapers wet again  
UH!!

Stop Truey! I wear Pull-Ups and im tellin'! Daddy!

(Chorus)

We goin' put it on ya make it loud 'n' clear  
All of my shorties, whether far or near  
Since the last Tru-Dog  
Its been three long years  
So we goin' make it loud  
We goin' make it loud 'n' clear

We goin' put it on ya make it loud 'n' clear  
All of God's soldiers, whether far or near  
Since the last Tru-Dog  
Its been three long years  
So we goin' make it loud 'n' clear

Toby Mac: Truett!

Tru-Dog: Dad, he's the one that wanted to have a freestyle battle.

Toby Mac: Truett, he's three years old

Tru-Dog: Well maybe thats why he got served!

Toby Mac: And for the record, its dont hate the playa hate the game
