After Light

Rustie

(feat. Aluna George)

Pure in the mess
So we undress
Answers we guess
Feeling our best

Saw it in the undertow
Holding on to what we know
Losing every anchor from
Moving with the hunger groan

we are the night burn,
that keeps you running
makes you wanna be in the fight
better hold on tight

We are the place
That keeps you raising higher, higher, higher

We are the night burn,
That keeps you running
Makes you wanna be in the fight
Better hold on tight

We are the place
That keeps you raising higher in the after light

Pure in the mess
so we undress
answers we guess
Feeling our best

Saw it in the undertow
Holding on to what we know
Losing every anchor from
MovingÃ¢Â•Â¬ with the hunger groan (?)

We are the night burn,
That keeps you running

Makes you wanna be in the fight
Better hold on tight

We are the place
That keeps you raising higher, higher, higher

We are the night burn,
That keeps you running
Makes you wanna be in the fight
Better hold on tight

We are the place
That keeps you raising higher in the after light
