Im sorry

3rd Storee

I know I said it, I know I did it
Maybe I went overboard to prove a point
But sometimes my pride gets in the way
Maybe I need some time away to get my head together, yeah, yeahMaybe this was my last chance
(I may never)
I may never get to hold your hands again
I can say that I'm a better man
I'm sorry
(Because you made me understand)I'm so sorry that I tore your heart apart last night
(And I'm sorry)
And I'm sorry if I scarred you again today
(I didn't mean to take your dreams)
I didn't mean to take your dreams and make them seem so trite
(Mmm, I sincerely)I sincerely
(Oh)
Completely
(Yeah)
Apologize for doin' what I didEverything you taught me and everything you showed me
It never seemed that I would listen to anything
But you've got my attention more than you know
I take it in, I dealt with it but I waited too late to use it, oh, ohMaybe this was my last chance
(I never)
I may never get to hold your hands again
(I can say)
I can say that I'm a better man
I'm sorry
(Because you made me understand)I'm so sorry that I tore your heart apart last night
(I'm so sorry)
And I'm sorry if I scarred you again today
(I didn't to mean to hurt your heart)
I didn't mean to take your dreams and make them seem so trite
(Oh yeah)(I sincerely)
I sincerely
(Completely)
Completely apologize for doin' what I didI've never ever been so you made me know
(Shameful for what I did)
(But you made me know one thing that I shoulda never did)If you never take me back again
(I never, never)
I never wanted to burn this bridge

(If I could do it)Do it
(All over)
All over
(Again)
Again
I'll never mishandle you ever againI'm so sorry that I tore your heart apart last night
(I'm so sorry)
And I'm sorry if I scarred you again today
(Oh)
(I'm never, never, never, never do it again)I didn't mean to take your dreams and make them seem so trite
(Oh, make you seem so, oh)
I sincerely
(I sincerely)
Completely
(Completely)
Apologize for doin' what I did
(Ho)I'm so sorry that I tore your heart apart last night
(That I tore your heart)
And I'm sorry if I scarred you again today
(That I tore you apart)
(I didn't mean what I said)I didn't mean to take your dreams and make them seem so trite
(I didn't mean what I did)
(Baby)
I sincerely
(Baby)
Completely
(Baby)
Apologize for doin' what I did
(Baby, oh, oh, oh)I'm so sorry that I tore your heart apart last night
(I can't say it no better, I'm sorry)
And I'm sorry if I scarred you again today
(I'm sorry, sorry)
(What do you want me to do?)I didn't mean to take your dreams and make them seem so trite
(If I could do it all over again)
(I would try to make you understand)
I sincerely
(That I'm a better man)Completely
(I'm a better man)
Apologize for doin' what I did
(A better man for you, baby)
