Acrania

Years have passed and I have fallen.
All my memories abandoned me,
They want to hear me crying,
They want to hear me die.If that's not the best - the best,
Then, how to divert my rage, my hate, and all that revenge?
But I... I don't want to hear my crying
I don't want to hear myself dieNow, rise up, there's a sole frontier.
Go forward, go forward.
C'mon, fight to live, to open hearts, to open eyes and dreams.
For the right to love, for the right to be, for the right to resist.
|| Chorus ||I still remember what you said to me.
All of us together till eternity.I am in a fight with myself.I am in a fight again,
Reaching my whole soul to discover my faith.
I want to reach my traumas,
I want to build my fate.I still remember what you said to me.
All of us together till eternity.
And when God forgot to suppress the rebellion in all of us,
He cave his own grave.
We will rise and burn the sky in hell.I still remember what you said to me.
All of us together till eternity.I still remember what you said to me. (x4)
