

# Yet Another Day (feat. Ray Wilson)

[Armin van Buuren](#)

Something's disappeared inside  
Should I try to run away  
If I could I would escape you I won't argue anymore  
I have lost the will to be  
Hope you don't think I'm ungrateful Close the curtains, lock the door  
Left my notes upon the stair  
In the hope you wouldn't read them Fake emotions in my head  
Everything I've seen and read  
Can't begin to find the reason Why? Why are you laughing?  
Is it something that I said? I don't like this place at all  
Makes me wonder what I'm here for  
Someone take this pain away  
Dying to see another day And I don't want to be your friend  
Or pretend I can fit into  
I'm incensed, I'm blown away  
Dying to see another day I don't like this place at all  
Makes me wonder what I'm here for  
Someone take this pain away  
Dying to see another day And I don't want to be your friend  
Or pretend I can fit into  
I'm incensed, I'm blown away  
Dying to see another day
