

Hooks In You (1997 Remastered Version)

Marillion

I feel so strange what's wrong with me'
You've got a problem that you can't see
But I've got a feeling that the rumours are true
 I see the girl's go a hook in you
 You carry on believing
 That you can take or leave it
 Now who are you deceiving
 Cause when it's own up time
 She's in the back of you mind
 She's got her hooks in you
 You said you'd never let it happen again
 You spend your money and you're deeper in
 Your fairweather friends call two by two
 To let you know what's wrong with you
 But now your heartbeat's thumpin'
 You watch you nerve ends jumpin'
 Well I can tell yo somethin'
 When it's own up time
 You're gonna toe the line
 She's got her hooks in you
 She's got her hooks in me too.
