Lucky Animals

Devin Townsend Project

Animal, animal, and we're lucky!
Animal, animal, and we're lucky!
Animal, animal, and we're lucky!
How do you know of your animal soul?
How do you know we never will know?
Animals, animals, and we're lucky!
Animals, animals, and we're lucky!
Animals, animals, and we're lucky!
How do you know of your animal soul?
How do you know we never will know?
Show me, below me
I know who you are
Hide me, blimey!
Show me to the stars
How we roll at home?
Swollen rodeo?
Stone cold mojo, what are we feeling right now
Animals, animals, and we're lucky!
Animals, animals, and we're lucky!
Animals, animals, and we're lucky!
How do you know of your animal soul?
How do you know we never will know?
Show me, troll me
I want to believe
Hide me,blind me!
But I know who you are
How we wrote at home
(Sold me romeo)
Stone cold mojo, what are you feeling right now?Animals, animals, and we're lucky!
Animals, animals, and we're lucky!
Animals, animals, and we're lucky!
How do you know if you're outta control?
How do you know we never will know?
Animals, animals, and we're lucky!
Animals, animals, and we're lucky!
Animals, animals, and we're lucky!
Troll me follow then how you will see
Slowly farther then
Tell me what it means to be sane

When everybody knows,
Stone cold mojo, what are we feeling right now
Animals, animals, and we're lucky!
Animals, animals, and we're lucky!
Animals, animals, and we're lucky!
How do you know if you're outta control?
How do you know we never will know?
Animals, animals, and we're lucky!
Animals, animals, and we're lucky!
Animals, animals, and we're lucky!
How do you know if you're outta control?
How do you know we never will know?
How do you know if you're outta control?
How do you know we never will know?
How do you know if you're outta control?
What are we feeling right now?
