

Parking Lot Party

Lee Brice

Johnny's firing' up his coleman grill
we've got 24 tall boys on the chill
Yeah, 14 of 'em's mine
A little marshall tucker on the radio
(can't you see)
You know we're just catkin' a little groove before the show
Yeah, ain't playin' nothin' slow. At the parking lot party
tailgate buzz just sipping' on suds
ain't never too early..
to light one up, fill up your cup
Cause there ain't no party like the pre-party
and after the party is the after-party
At the parking lot party Well, The opening band is coin' sound-check
Man, they sound pretty good
Hell, I ain't even bought no tickets yet
Yeah, but that's alright we don't care
'cause all the pretty girls are sitting' right here
kicking back in the lawn chairs At the parking lot party
tailgate buzz just sipping' on suds
ain't never too early..
to light one up, fill up your cup
Cause there ain't no party like the pre-party
and after the party is the after-party
At the parking lot party
(yeah, pass me the chicken wings) woh-oh-oh-oh!
Old Tom's pulling' his guitar out
woh,-oh-oh-oh!
It's bout time to pass that shine around
hey-hey-hey!
Show's about to start but we ain't about to leave
hey hey hey!
it's one hell of a time and it's all for free! At the parking lot party
tailgate buzz just sipping' on suds
ain't never too early..
to light one up, fill up your cup
Cause there ain't no party like the pre-party
and after the party is the after-party
At the parking lot party Oh yeah, c'mon
Parkin' lot party

Oh, they're gonna have to tow my ass out of here

Parking lot party

Oh, man, damn, girl

parking lot party

woo-oooh

parking lot party

Don't think I've ever seen that before, lord

(hey-hey-hey)[fade]
