

# Servin'

## Audio Push

I feel like it's me versus everybody  
I feel like it's me versus everybody  
I been in these streets servin' everybody  
I been in these streets servin' everybody  
I feel like it's me versus everybody  
I feel like it's me versus everybody  
I been in these streets servin' everybody  
I been in these streets servin' everybody I feel like it's me versus everybody  
Can't trust these hoes nowadays cause they for everybody  
My mama said these streets ain't for everybody  
So find your peace or grab your heat and watch for everybody  
Lookin' in the mirror that's the realest in me  
If ain't no million in it, I'mma feel offended  
I get a real percentage, boy you real dependent  
Pussy so good I felt in sleep still up in it  
Check my heart there ain't no chill up in it  
Check my squad it's only real ones in it  
Check who see your green, cause they may steal your spinach  
Cause these niggas is hurtin', these niggas is hurtin'  
Tourin' all across the world I be workin'  
Need a bag and I ain't talkin' a Birkin  
Wrist wrist, a nigga be servin'  
Wrist wrist, a nigga be servin' let's go!  
I feel like it's me versus everybody  
I feel like it's me versus everybody  
I been in these streets servin' everybody  
I been in these streets servin' everybody  
I feel like it's me versus everybody  
I feel like it's me versus everybody  
I been in these streets servin' everybody  
I been in these streets servin' everybody Uhh  
They want me to turn up  
Fuck it I'mma turn up  
Used to doin' lame shit and that shit don't concern us  
My clique who I came with  
You done switched up more than me  
Cause we all still the same clique  
Now that's what you call loyalty  
Since raindrops do [?] I need a Range to drop a new Porshe

No scratch that, just two cars  
Bitch make my number too large  
You talk too much but you don't walk too much  
That's why you where you at  
When I was walkin' you was lookin' laughin', well you look at that!  
Life changed that fast  
I spend a lot  
You lip sync and squint a lot all on Snapchat  
And I spit fire backdraft  
I'm smokin' bitch [?]  
Make your next move your best move  
Young West [?] with finesse moves  
You a checker player, these chess moves  
Triple sauce boss aye  
I feel like it's me versus everybody  
I feel like it's me versus everybody  
I been in these streets servin' everybody  
I been in these streets servin' everybody  
I feel like it's me versus everybody  
I feel like it's me versus everybody  
I been in these streets servin' everybody  
I been in these streets servin' everybody Watching Narcos, plottin how to change the game  
[?] now they can't complain  
Love to everybody with me that stayed the same  
Nigga switched up and that's the cause of change  
Damn  
Doin' what they say we can't do  
Name a way a nigga can't move  
Be servin' in the [?] for this long I can't loose boy  
I been servin' on the West, servin' on the East  
I been servin' in these streets, servin' on these beats  
Serve
