

# Free and Easy (Down the Road I Go) [Live]

## Dierks Bentley

Pair of boots and a sack of clothes  
Free and easy down the road I go  
Hanging memories on the high line poles  
Free and easy down the road I go  
Free and easy down the road I go Ragweed's rocking on the radio  
Free and easy down the road I go  
So I keep rolling like an old banjo  
Free and easy down the road I go Got the sun shining on me like a big spotlight  
So I know everything is gonna be alright Ain't no telling where the wind might blow  
Free and easy down the road I go  
Living life like a Sunday stroll  
Free and easy down the road I go  
Free and easy down the road I go If you only get to go around one time  
I'm gonna sit back and try to enjoy the ride I could make a million or wind up broke  
Free and easy down the road I go  
Can't take it with you when you go, so  
Free and easy down the road I go  
Someday I know it's gonna take me home, so  
Free and easy down the road I go  
Free and easy down the road I go
