Who Booty (remix)

Jonn Hart

Slide in that thang, dirty game
Bust it so good, girl what's my name?
Hit it from the back, headboard swag
When I talk shit shorty answer right back
I be on her like...
Who booty is it? Who booty is it?
Who booty? Who booty? Who booty is it?
Who booty is it? Who booty is it?
Who booty? Who booty? Who booty is it?Lil mama I know what you want,
Begging me to beat it like the bass in my trunk.
I'm a little nasty, I ain't even gotta front.
Lick you from your head down, down to your butt.
I Mike Tyson that booty, I knock that ass out.
Crackin' that pookie, you make me spazz out.
Let me get in that, baby throw it back.
Let me get a round of applause, make, make it clap.
D Boy that booty girl, gimme that, gimme that.
If I hit it once you know that shorty...Slide in that thang, dirty game
Bust it so good, girl what's my name?
Hit it from the back, headboard swag
When I talk shit shorty answer right back
I be on her like...
Who booty is it? Who booty is it?
Who booty? Who booty? Who booty is it?
Who booty is it? Who booty is it?
Who booty? Who booty? Who booty is it?[French Montana]
Hey, Montana here!
See the firework, hundred bottles here
You know we're flying over here
And we're flying over there
(What you doin'?)
We get money over here!
Can't buy love, but buy you what you want
Then hit her from the back, back
And then hit her from the front
Big old boot, pull up thongs
Whips and shoes, something fun
To buy this here, you need a passport
We buy the whole store, Agent provocateur
