Up A Tree Again

Looper

I'll get up high above the lanes
Look at me up a tree again
I brought a knife to carve our names
Look at me, I'm up a tree againLook at me up a tree again
The leaves are falling
The leaves are fallingLook at me up a tree again
The leaves are falling
The leaves are fallingAnd as they fall you'll hear me I'll call
Look at me up a tree again
Look at me up a tree again
Look at me here I'm up a tree againI broke a blade, I used some crayons
(Look at me up a tree again)
To draw a heart around our names
Look at me up a tree againAnd as they fall, you'll hear me I'll call
Look at me up a tree again
Look at me up a tree again
Leaves are falling
