# Past, Present and Future

## Demon Fuzz

Past, past, well now, let me tell you about that past
Past is filled with silent joys and broken toys
Laughing girls and teasing boys
Was I ever in love? I called it love, I mean, it felt like loveThere were moments when, well, there were moments when
Present, go out with you? Why not
Do I like to dance? Of course
Take a walk along the beach tonight? I'd love toBut don't try to touch me
Don't try to touch me
'Cause that will never happen again
Shall we dance?The future, tomorrow? Well, tomorrow's a long way off
Maybe someday I'll have somebody's hand
Maybe somewhere someone will understand
You know I used to sing, a tisket, a tasket, a green and yellow basketI'm all packed up and I'm on my way and I'm gonna fall in love
But at the moment it doesn't look good
At the moment it will never happen again
I don't think it will ever happen again
