

# Be Ok

## Chrisette Michele

imma take my lexus to the mall  
get a little black dress just because  
me and my boo just broke it off  
imma be fly although hes gone  
and i dont really care bout who he's with  
imma get mine and he'll get his  
even though i was in love with him,  
i really hope the best for them  
every sentimental and my crying sacrimental  
tell me what i cant get into  
i cant lose my mind  
think its time for me to let go  
cause my heart cant take it no more  
you were all i lived for but i'll leave you behind  
imma be ok  
imma be ok  
i'll survive, i'll be fine, i wont cry no way  
imma be ok  
imma be ok  
dont you talk, i'll move on, baby walk away

imma keep my head up, hold it high  
really did my best i know you tried  
even though it hurts i will survive  
i'll wipe my eyes, i'll stay alive  
take a deep breath and count to 10  
today's a new day i'll start again,  
imma find myself so deep within  
imma survivor i will win  
every sentimental and my crying sacrimental  
tell me what i cant get into  
i cant lose my mind  
think its time for me to let go  
cause my heart cant take it no more  
you were all i lived for but i'll leave you behind  
imma be ok  
imma be ok  
i'll survive, i'll be fine, i wont cry no way  
imma be ok

imma be ok  
dont you talk, i'll move on, baby walk away
