Advisory - the following lyrics contain explicit language:

[Intro: Snoop Dogg]  
Yeah, it's that sick shit mane  
I had to do it  
I got the do it fluid  
Laid back, understand me  
Doing what I does cuz  
You know who it is  
It's the Big Snoopy D-O-double-Gizzle  
Fo shizzle baby[Verse 1: Snoop Dogg]  
So fast, so quick, so hard, so slick  
Take a walk in my shoes but them feet don't fit  
No shit, pulpit, shift switch on a bitch  
Rolling up a fat one stacking my chips  
Now check this, sip this, have a seat and recline  
Hot spit, dog shit will blow your mind  
I'm not braggin', but I'm C flaggin'  
64 hot and I keep shit poppin'[Pre-Hook: Snoop Dogg]  
What y'all come here for?  
Oh we came here to dance  
But we will bop popping them bands  
What that mean?  
That mean, that we don't give a fuck nigga[Bass Drop][Hook: Snoop Dogg]  
We don't give a fuck nigga  
All I wanna do is smoke and have a good time  
All I wanna do is have a good time  
All I wanna do is smoke and have a good time  
We don't give a fuck  
West Coast motherfucker  
We don't give a fuck nigga[Verse 2: Snoop Dogg]  
Hands up, now twist your fingers  
On the set mamma raised a banger  
Every hood do the same stuff

And then they came up when they name up  
With a bunch of hard heads like  
Biggie Poppa, Warren G, and Lil' Half Dead  
Rectified, don't run up on a nigga or your neck will fly  
Back in your lap click-clack get back (back-back)[Pre-Hook: Snoop Dogg]  
What y'all come here for?  
Oh we came here to dance  
But we will bop popping them bands  
What that mean?  
That mean, that we don't give a fuck nigga[Bass Drop][Hook: Snoop Dogg]  
We don't give a fuck nigga  
All I wanna do is smoke and have a good time  
All I wanna do is have a good time  
All I wanna do is smoke and have a good time  
We don't give a fuck  
{Motherfucker}  
We don't give a fuck nigga[Outro: Snoop Dogg]  
Yeah, you hear that sick shit?  
I had to do it  
It's the S to the N double O P  
You know the rest  
West Coast motherfucker.
