

Wind It Up

Barenaked Ladies

Stop, drop and roll and I will tell you where I'm coming from
You've done a lot a yelling pointed at my eardrum
I'll offer all of me that you can lay your eyes on
I'll get right back to you once I get my disguise on
Hearts on fire, you'll learn
End up with heartburn
Wind me up my dear
Had it up to here
Wind it up
I can't believe that you believe that I would fake it
Wait! Lest you count the things I said when we were naked
Run, run away from everything we'd ever hoped for
I can't believe that this is what people elope for
You throw your sticks and stones
Throw your mobile phone
Wind me up my dear
Had it up to here
Wind it up
If you are living then I wish you love
I hope someone can make your heart warm
I was a baby when I learned to suck
But you have raised it to an art form
Yes, I'm out of line
But you're out of your mind
Wind me up my dear
Had it up to here
Wind me up my dear
Had it up to here
Wind it up
