I'm Ready (Oklahoma City October 6, 2012)

Tevin Campbell

Baby it was uncool to love me
Then leave me standing here now
Without a goodbye
And maybe I am the fool you call me
'Cause I'll be here standing,
Waiting to hear you say to meI'm ready, (you know I'm ready)
To love you (to love you)
Forever (forever)
Hey love now
Come and love me forever moreI'm ready, (you know I'm ready)
To love you (to love you)
Forever (forever)
Hey love now
Come and love me forever moreSometimes, when I'm alone, I feel sad
I know you'll leave me once again
And take my pride
And maybe I am the fool you call me
'Cause I'll be here standing
Waiting to here you say to meI'm ready, (you know I'm ready)
To love you (to love you)
Forever (forever)
Hey love now
Come and love me forever moreI'm ready, (you know I'm ready)
To love you (to love you)
Forever (forever)
Hey love now
Come and love me forever moreAnd once again I'll be right here Waiting to share your love
But I hope this time for once
We'll forever mend it ohI'm ready, (you know I'm ready)
To love you (to love you)
Forever (forever)
Hey love now
Come and love me forever moreI'm ready, (you know I'm ready)
To love you (to love you)
Forever (forever)
Hey love now
Come and love me forever more
