

The World Is Mine

Cracker

D-b-a-g

E-g

D-e-g-d Well we went to the station

They were looking for vegas

But I was stuck in my beat phase

Like it was 1959 They say the girls wanna hip-shake

They say the boys wanna ball-break

But we couldn't be bothered

'cause we're hipper than y'all And everyday I resolve to say

The world is mine

So bring your ? ? ? salvation

Or a standing ovation

'cause I really deserve it

And so much more
