The Outsiders (Acoustic Version)

NEEDTOBREATHE

The Outsiders
NeedtobreatheShortfalls and little sins
Close calls where no one wins
Stand tall but running thin
I'm wearing thin
Oh, why are we keeping scoreCause if you're not laughing
Who is laughing now
I've been wondering if this starts sinking
Would we stand our ground
After everything we've learned
We've finally come to terms
We are the outsiders
I'm not leaving without a fight
I've got my holsters around my sides
Just cause I'm wrong that don't make you right
It's not right
Oh, what are we fighting for
Cause if you're not laughing
Who is laughing now
I've been wondering if this starts sinking
Would we stand our ground
After everything we've learned
We've finally come to terms
We are the outsiders
