

I'm Beginning to See the Light

Frank Sinatra

I never cared much for moonlit skies
I never winked back at the fireflies
But now that the stars are in your eyes
I'm beginning to see the light I never went in for afterglow
Or candle light on the mistletoe
But now when you turn the lamp down low
I'm beginning to see the light Used to ramble through the park
Shadow boxing in the dark
Then you came and caused a spark
That's a four-alarm fire now I never made love by lantern shine
I never saw rainbows in my wine
But now that your lips are burning mine
I'm beginning to see the light I never cared much for moon-lit skies
I never winked back at fire-flies
But now that the stars are in your eyes
I'm beginning to see the light I never went in for after glow
Or candle light on the mistle toe
But when you turn that light down low
I'm beginning to see the light I used to ramble through the pro
Shadow boxing in the dark
Then you came and caused a spark
That's a four alarm fire now I never made love by lantern shine
I never saw rainbows in my wine
But now that your lips are burning mine.....May I require
You I admire
Please light my fire
Quench my desire I'm beginning.....
I'm beginning.....
To see the light.....
See the light...BOINK!
