Water

Ohgr

gray no petals no introduction gray matter for introspection
water making and breaking seeming fine
faith no martyr no resolution depth of water over our heads in
breath restricted all suffocation ...breatha trippy absolute
eye tripping disease
no resolution no auto savecrave it matters no fixed solution
no path crossed aging desert
scenic fixture and fixing ...wonder whygoal neglected greed for negation
rights affected last stop salvation
world objective equalizationCHOICE DECISION NO REAL DIVISION BACK BURN SYSTEMscream for your lifefaith no martyr no resolution depth of water over our heads in
breath restricted all suffocation ... breatha trippy absolute
eye tripping disease
no resolution no auto save
