

# Come Talk To Me

Peter Gabriel

The wretched desert takes its form  
The jackal proud and tight  
In search of you I feel my way  
Through slowest heaving night  
Whatever fear invents  
I swear it makes no sense  
I reach out through the border fence  
Come down, come talk to me In the swirling curling storm of desire  
Unuttered words hold fast  
With reptile tongue, the lightning lashes  
Towers built to last  
Darkness creeps in like a thief  
And offers no relief  
Why are you shaking like a leaf?  
Come on, come talk to me Oh please talk to me  
Won't you please talk to me  
We can unlock this misery  
Come on, come talk to me  
I did not come to steal  
This all is so unreal  
Can't you show me how you feel?  
Now come on, come talk to me  
Come talk to me  
Come talk to me The earthly power sucks shadowed milk  
From sleepy tears undone  
From nipples skin as smooth as silk  
The bugles blow as one  
You lie there with your eyes half closed  
Like there's no-one there at all  
There's a tension pulling on your face  
Come on, come talk to me Won't you please talk to me?  
If you'd just talk to me  
Unblock this misery  
If you'd only talk to me  
Don't you ever change your mind  
Now your future's so defined  
And you act so deaf, so blind  
Come on, come talk to me  
Come talk to me

Come talk to me I can imagine the moment  
Breaking out through the silence  
All the things that we both might say  
And the heart, it will not be denied  
'Til we're both on the same damn side  
All the barriers blown away I said please talk to me  
Won't you please come talk to me?  
Just like it used to be  
Come on, come talk to me  
I did not come to steal  
This all is so unreal  
Can you show me how you feel?  
Now come on, come talk to me  
Come talk to me  
Come talk to me
