

# Fried Hockey Boogie

## Canned Heat

I used to buy my faith in worship  
But then my chance to get to Heaven slipped  
I used to worry about the future  
But then I throw my caution to the wind  
I had no reason to be care free  
No, no, no, until I took a trip to the other side of town  
Yeah, yeah, yeah, you know I heard that boogie rhythm  
Hey, I had no choice but to get down, down, down, down  
Dance, nothing left for me to do but dance  
Off these bad times I'm going through, just dance  
Got canned heat in my heels tonight, baby  
I feel the thunder see the lightnin'  
I know this anger's Heaven sent  
So I've got to hang out all my hang-ups  
Because of the boogie I feel so hell bent  
Hey, hey  
It's just an instant gut reaction, that I got  
I know I never ever felt like this before  
I don't know what to do but then that's nothing new  
Stuck between hell and high water I need a cure to make it through  
Hey, dancing nothing left for me to do but dance  
Off these bad times I'm going through, just dance  
Hey, got canned heat in my heels tonight, baby  
You know, know, know  
I'm gonna dance, yeah  
Off all the nasty things that people say, dance yeah  
But I'm gonna make it anyway, dance yeah  
Got canned heat in my heels tonight, baby  
You know I've got canned heat in my heels, baby  
You know this boogie is for real  
Only the wind can blow the answer  
And she cries to me when I'm asleep  
She says, "You know that you can go much faster  
I know that peoples talk can be so cheap, hey, hey"  
I got this voodoo child in veined on me  
I'm gonna use my power to ascend  
You know, I got these running heels to use  
Sometimes there's no way to lose  
I was born to run and built to last

You've never seen my feet, they can go so fast  
Dance yeah

Hey, nothing left for me to do but dance  
All these bad times I'm going through, just dance  
Hey, got canned heat in my heels tonight, baby  
Hey I've got to dance, yeah

Off the nasty things that people say, dance yeah  
But I'm gonna make it anyway, dance yeah  
Got canned heat in my heels tonight, baby  
You know this boogie is for real, girl  
So much canned heat in my heels, yeah  
Gonna dance, gonna dance my blues away tonight  
You know I'm gonna dance my blues away  
You know this boogie is for real, girl  
So much canned heat in my heels, yeah  
Gonna dance, gonna dance my blues away tonight

Dance  
Got canned heat in my heels tonight, dance  
Canned heat in my heels tonight, dance  
Canned heat in my heels tonight, baby

Hey, got so much

Dance

Hey DJ, let the music play, I'm gonna live this party life  
Hey DJ, throw my cares away, I'm gonna live this party life  
Hey DJ, let the music play, I'm gonna live this party life  
Hey DJ, throw my cares away, I'm gonna live this party life

You know this boogie is for real  
Got so much canned heat in my heels  
Gonna dance, gonna dance my blues away tonight  
You know, you know this boogie, this boogie is for real  
You know there is canned heat in my heels tonight  
You know I'm gonna dance my blues away tonight  
I used to buy my faith in worship

---
