Lessons

Second Best

So shrug me off
Like you wouldnâ€™t miss me
Like there wasnâ€™t history
Tell me, was it all just in my head?

My mindâ€™s stuck on replay
Memories of yesterday
Repeat
Over and over

All the nights spent in your bed
Are still playing with my head
I never learn my lesson
Shrug me off just like the strap
Of your dress while on his lap
I never learn my lesson

So shrug me off
Kisses placed on my neck
Say you didnâ€™t mean it
Tell me that itâ€™s all in my head
Over again

I walked you home
You wished we drove
And I blamed my shaking on the cold
We would hold hands
But youâ€™d let go
For your pocket and blame it on the cold

Over and over

All the nights spent in your bed (over and over)
Are still playing with my head (over and over)
Shrug me off just like your dress (over and over)
Leave my head in such a mess (over and over)

I guess I never learned my lesson, instead
I just keep crawling back to you and your bed
You said, we were better off just as friends

But those nights replay in my head
Over and over
