Discipline

Joe Jackson

DisciplineDiscipline, discipline
Discipline can stop my hunger
Discipline can quench my thirst
Discipline can make me stronger
If it doesn't kill me firstI'm gonna pump it up
Gotta keep my body from falling apart
I got to keep it upDisciplineDiscipline, discipline
Discipline can stop my hunger
Discipline can quench my thirst
Discipline can make me stronger
If it doesn't kill me firstI'm gonna tie you up
Gonna keep you begging for the key to my heart
I got to keep it upBut tonight I'm gonna be my only slave
Put on my CD of the sound of waves
And drift away 'til another dayDisciplineDiscipline, discipline
Discipline can stop my hunger
Discipline can quench my thirst
Discipline can make me stronger
If it doesn't kill me firstDiscipline can stop my hunger
Discipline can quench my thirst
Discipline can make me stronger
If it doesn't kill me firstDiscipline can stop my hunger
Discipline can quench my thirst
Discipline can make me stronger
If it doesn't kill me firstDiscipline can stop
