

# Amy Joan Blues

[Nils Lofgren](#)

Amy Joan, Amy Joan  
Why won't you please come home  
I'm damaged and I'm blue  
I can't be satisfied without you  
There's a dance hall way 'cross town  
You shake and sweat 'till your fears tumble down  
I courted you with bum knees and Pa's cane  
How come you never look at me the same  
Amy Joan, Amy Joan  
Why won't you come back home  
I'm damaged and I'm blue  
I can't be satisfied without you  
There's miracles in your dance  
You're full of mystery, beauty and romance  
Your big heart heals my head makes my home  
And I won't make it without you Amy Joan  
Amy Joan, Amy Joan  
I'm begging baby please come back home  
I'm damaged and I'm tore up, black and blue  
And I ain't gonna make it without you  
Yes I'm damaged and I'm blue  
I sure ain't gonna make it without you
