Making Real Sense Of The Senses

Billy Gilman

Our eyes are for looking at things
But they are also for crying
When we are very happy or very sad
Our ears are for listening
But so are our hearts
So are our hearts
Our noses are for smelling food
But also the wind and the grass
And if we try very hard, butterflies
Our hands are for feeling
But also for hugging and touching
So gently, so gently
Our mouths and tongues are for tasting
But also for saying words like 'I love you'
And 'Thank you, God, for all of these things'
