

# Here Comes the Man

## Outasight

Tonight this party is gonna get so loud  
The neighbors goin' call the cops  
And when they come and knockin' we ain't gonna let 'em in  
We blowin' till the sun comes out  
Yeah, ready to go  
Hey DJ (?) and turn it up  
Everybody say (huh-huh-huhu)  
Yeah, ready to go  
Hey, Bartender hand me a cup and pour it up  
Everybody say break it down  
P-A-R-T-Y  
Scream it so they hear us from down the block  
P-A-R-T-Y  
Singin' so loud they call the cops  
Here comes the men  
Here comes the men  
Here comes the men  
Tonight this party is gonna get so loud  
The neighbors goin' call the cops  
And when they come and knockin' we ain't gonna let 'em in  
We blowin' till the sun comes out  
Got a main machine full of gasoline and a jukebox (?)  
(?) but yo pretty girls has some homies  
Got JD (?) got old school and new school now wanna hit everybody  
P-A-R-T-Y  
Scream it so they hear us from down the block  
P-A-R-T-Y  
Singin' so loud they call the cops  
Here comes the men  
Here comes the men  
Here comes the men  
Here comes the men  
Here comes the men  
Here comes the men  
Here comes the men
