

Heaven

[Gungor](#)

I don't know what you've been told
But heaven is comin' down to the world
Oh, I don't know what you've been told
But heaven is comin' down to the world Oh, heaven, heaven is comin' down Oh, I don't know what you've been
told
But heaven is comin' down to the world
I said, I don't know what you've been told
But heaven is comin' down to the world I said, heaven, heaven is comin' down Heaven, heaven is all
around Heaven, heaven is all around
