

# Grand Finale (Extended Mix) [feat. Fiora]

Arty

Although we kept between us whispers in the dark  
Wrap around to the other, I'll keep you close at heart  
As the pages turn  
If I fail, stumble and fall, down to the ground  
Will you turn this world around? Take me away  
Sweep it away  
Take me away  
Sweep it away  
Take me away Take me away  
Sweep it away  
Take me away  
Sweep it away
