Riot

Jon Waltz

Mother nature never meant to birth another child like me
Sitting in the grass smoke a cigarette but you ain't getting high like me (yeah)
Papa ain't no rolling stone (no no no)
Developed this all on my own (yeah)
A woman never loved me long
It's temporary
Not my homeSo I'm gon' burn this rubber I'm gon' burn this gasoline
And set it on fire fire fire fire
Hope someone sees and puts me out
Instead they start a riot riot riot
So I'm gon' burn this rubber I'm gon' burn this gasoline
And set it on fire fire fire fire
Hope someone sees and puts me out
Instead they start a riot riot riot
My mama told me good things come in two
But I don't got two girlfriends, two friends, two chains
My daddy told me good things come and go
Advice don't really help, 'cause I can't help myself
My mama told me good things come in two
But I don't got two girlfriends, two friends, two chains
My daddy told me good things come and go
Advice don't really help, 'cause I can't help myselfSo I'm gon' burn this rubber I'm gon' burn this gasoline
And set it on fire fire fire fire
Hope someone sees and puts me out
Instead they start a riot riot riot
So I'm gon' burn this rubber I'm gon' burn this gasoline
And set it on fire fire fire fire
Hope someone sees and puts me out
Instead they start a riot riot riot
(Ice ice cold)
Mama was a lady
Side chick was a no
Watson street killa white boy slinging blow
Mean [?]
[?] meant this really slow
Porch smoking that blue at the crib
Her daddy was a racist homophobic
I just snatch some juice from out his fridge
Leave a trail of glitter at the door

And we been watching too much westerns
Now we pistol popSo I'm gon' burn this rubber I'm gon' burn this gasoline
And set it on fire fire fire fire
Hope someone sees and puts me out
Instead they start a riot riot riot
So I'm gon' burn this rubber I'm gon' burn this gasoline
And set it on fire fire fire fire
Hope someone sees and puts me out
Instead they start a riot riot riotWe just want to be loved
We need money and drugs
And a new place to stayWe just want to be loved
We need money and drugs
And a new place to stayWe just want to be loved
We need money and drugs
And a new place to stayWe just want to be loved
We need money and drugs
And a new place to stay
