

God Isn't Dead?

Extreme

Ah look at all the lonely people
Losing faith in a world
Full of despair no one who cares
Wondering where God disappeared I see the pain in everybody's faces
Asking why the God up in the sky
Didn't say goodbye please tell me
God didn't die Please tell me God isn't dead
Please tell me God isn't dead
Please tell me God isn't
I wanna know If He's
Please tell me God isn't
Tell me God isn't dead
I want to know
