Runaway Train

Soul Asylum

Call you up in the middle of the night

Like a firefly without a light

You were there like a blowtorch burning

I was a key that could use a little turningSo tired that I couldn't even sleep

So many secrets I couldn't keep

Promised myself I wouldn't weep

One more promise I couldn't keepIt seems no one can help me now

I'm in too deep there's no way out

This time I have really led myself astrayRunaway train, never going back

Wrong way on a one-way track

Seems like I should be getting somewhere

Somehow I'm neither here nor thereCan you help me remember how to smile?

Make it somehow all seem worthwhile

How on earth did I get so jaded?

Life's mystery seems so fadedI can go where no one else can go

I know what no one else knows

Here I am just a-drownin' in the rain

With a ticket for a runaway trainAnd everything seems cut and dried

Day and night, earth and sky

Somehow I just don't believe itRunaway train, never going back

Wrong way on a one-way track

Seems like I should be getting somewhere

Somehow I'm neither here nor thereBought a ticket for a runaway train

Like a madman laughing at the rain

A little out of touch, a little insane

It's just easier than dealing with the painRunaway train, never going back

Wrong way on a one-way track

Seems like I should be getting somewhere

Somehow I'm neither here nor thereRunaway train, never coming back

Runaway train, tearing up the track

Runaway train, burning in my veins

I run away but it always seems the same
