

Guilt Trip (feat Kid Cudi)

Kanye West

I need to call it off, I need to make it known
'nother one, something gone, Capricorn
Dancing out on the lawn
Fancy like the things she likes
She lives her life, I'm living mine
All dem a gwaan dem a dem a dem a gwaan
Dem a gwaan gwaan gwaan, chop, chop, chop
All dem a gwaan dem a dem a dem a gwaan Dem a gwaan gwaan gwaan, chop it and spray
Maybe it's cause
She into Leos and I was into trios
Plus all the trips to Rio, couldn't have helped
It's gettin' cold, better bring your ski clothes
Pick it through the keyhole, the door locked by myself
And I'm feelin' it right now
Cause it's the time when my heart got shot down
Blocka, blocka, blocka-blocka, blocka
Pour a little champagne, cranberry vodka
Feelin' lied to like parents never said you adopted
Your feelings like Zulu, then nothing is a Shaka
I hit her with Jamaican dick, I'm the new Shabba
She lookin' for her daddy, call me Big Poppa
On to the next saga
Focus on the future and let the crew knock her
Star Wars fur, yeah I'm rockin' Chewbacca
The one Chief Rocka, number one Chief Rocka
All dem a gwaan dem a dem a dem a gwaan
Dem a gwaan gwaan gwaan, chop, chop, chop
All dem a gwaan dem a dem a dem a gwaan
Dem a gwaan gwaan gwaan, chop it and spray
All dem a gwaan dem a dem a dem a gwaan
Dem a gwaan gwaan gwaan, chop, chop, chop All dem a gwaan dem a dem a dem a gwaan
Dem a gwaan gwaan gwaan, chop it and spray If you love me so much then why'd you let me go?
If you love me so much then why'd you let me go?
If you love me so much then why'd you let me go?
Let me go, let me go, let me go, let me go
If you love me so much then why'd you let me go?
Let me go, let me go
