

Nobody's Gonna Change Me

Kestin Howard

Momma please don't worry me, Although I'm Nashville bound, I won't let you just wait and see. Momma I can see you waiting at the window, it's my time to fly please don't cry I got to go.

Nobody's gonna change me no matter how hard they try I be who I am until day I die I'm just telling it honestly I might not fit in with the crowd I might not be one that's allowed but I'm proud to say nobody's gonna change me

Daddy you taught me drinking leads me no where you said you pay your price for every vice so son beware. Daddy I know temptation at the door but I do my best because I been blessed, this is what I been waiting for

Nobody's gonna change me no matter how hard they try I be who I am until day I die I'm just telling it honestly I might not fit in with the crowd I might not be one that's allowed but I'm proud to say nobody's gonna change me

Now I'm not saying that I'm better then you it's not a phase that I'm going through I know I don't always get it right but I pretty for forgiveness each and every night

Nobody's gonna change me no matter how hard they try I be who I am until day I die I'm just telling it honestly I might not fit in with the crowd I might not be one that's allowed but I'm proud to say nobody's gonna change me

Yeah I'm proud to say nobody's gonna change me
