

Spirit Come

Tony Elenburg

Spirit Come

We wait upon You Lord, Holy Spirit come
We wait upon You Lord, Holy Spirit come

Spirit come take me up, let me drink the holy waters from your cup
Renew my mind, make me new, fill my heart Lord with the joy of knowing You

Spirit Come, Spirit Come

Lift my eyes, give me hope, let me see from where all grace and wisdom flow
Give me faith, make me stand, let me feel the healing power of Your hand

Spirit Come, Spirit Come

Let me fly, give me wings, let me dance like it was only You and me
Spirit come, set me free, let me give the way You gave Yourself for me
Lord lift my eyes, give me hope, let me see from where all grace and wisdom flow
Lord let me fly, give me wings, let me dance like it was only You and me

Spirit Come, Spirit Come, Spirit Come, Spirit Come,
