Body Shop

Ghostland Observatory

What you gonna do with a body shop?
What you gonna do with a body shop?
What you gonna do with a body shop?
What you gonna do with a body shop?Wax it, grind it, work it and ride it
Wax it, grind it, work it and ride it
LoversSay what? Oh my god
You got to be out of your mind
I don't think soWax it, grind it, work it and ride it
Wax it, grind it, work it and ride it
LoversWhat you gonna do with a body shop?
What you gonna do with a body shop?
What you gonna do with a body shop?
What you gonna do with a body shop?Wax it, grind it, work it and ride it
Wax it, grind it, work it and ride it
Lovers
