

When Johnny Comes Marching Home

Dolly Parton

When Johnny comes marching home again, Hurrah! Hurrah!

We'll give him a hearty welcome then, Hurrah! Hurrah!

The men will cheer, the boys will shout

The ladies they will all turn out

That joyful day when Johnny comes marching home

Get ready for the Jubilee, Hurrah! Hurrah!

We'll celebrate the victory, Hurrah! Hurrah!

We'll all join in the big parade

And let the soldier have his day

That joyful day when Johnny comes marching home America, America, when Johnny comes marching home

America, America, when Johnny comes marching home

We'll sound the horns and beat the drums

Salute them for a job well done

That joyful day when Johnny comes marching home The old church bell will ring with joy, Hurrah! Hurrah!

To welcome home our girls and boys, Hurrah! Hurrah!

Cause Janey too has done her best

She's fought as hard as all the rest

She'll march along when Johnny comes marching home When Johnny comes marching home again, Hurrah!

Hurrah!

We'll give him a hearty welcome then, Hurrah! Hurrah!

The men will cheer, the boys will shout

The ladies they will all turn out

That joyful day when Johnny comes marching home

It will be so good to have 'em home

They've been so far and gone so long

What a joyful day when Johnny comes marching home
