

# Safe And Sound In Phone Lines

## A Change of Pace

I found out what I've been missin'  
You are enough to keep me  
Wonderin' through the nights  
That I've spent alone, aloneIn hotels we are only voices  
Kept safe and sound in phone lines  
The distance makes the stronger weaken  
So many days we'll never knowWell, don't give away  
What we've tried so hard to keepAll things are said  
I will be enough for you  
Afraid or not  
I will be enough for youWhen I am gone  
I will be enough for you  
All things are said  
I will be enoughThe road we take will be the long one  
So hold on tight, don't leave me  
Take my hand, I'll bring you safely  
To home, your homeAcross the country this I promise  
I'll be back to take you on a  
Trip to sunny, sandy beaches  
But first we've gotta meet halfwayDon't throw away love  
We've worked so hard to makeAll things are said  
I will be enough for you  
Afraid or not  
I will be enough for youWhen I am gone  
I will be enough for you  
All things are said  
I will be enoughSo don't worry about time  
It's not on our side  
It never was beforeJust forget about time  
It's not on our side  
That's never stopped us before, beforeAll things are said  
Will I be enough for you?  
Afraid or not  
I will be enoughAll things are said  
I will be enough for you  
Afraid or not  
I will be enough for youWhen I am gone  
I will be enough for you  
All things are said

I will be enough for you
