

Falling Down (Jeff Buckley)

Scarlett Johansson

I have come 500 miles
Just to see a halo
Come from St. Petersburg
Scarlett and me
Well I open my eyes
I was blind as can be
When you give a man luck
He must fall in the sea
And she wants you
To steal and get caught
For she loves you
For all that you are not[Chorus]
When you're
Falling down, falling down
When you're falling down
Falling down, falling down You forget all the roses
Don't come around on Sunday
She's not gonna choose you
For standing so tall
Go on and take a swig
Of that poison and like it
And don't ask
For silverware
Don't ask for nothing
Go on and put your ear
To the ground
You know you will be
Hearing that sound[Chorus]
Falling down
You're falling down
Falling down, falling down
Falling down, falling down
When you're falling down
Falling down, falling down Go on down and see
That wrecking ball
Come swinging on along
Everyone knew
That hotel was a goner
They broke all the windows

They took all the door knobs
And they hauled it away
In a couple of days
Now someone yell timber
And take off your hat
It's a lot smaller down
Here on the ground[Chorus]
You're falling down
Falling down, falling down
Falling down, falling down
Falling down[Chorus]
Someone's falling down
Falling down, falling down
Falling down, falling down
Falling down
