Shut Me Down

Stevie Brock

I hope someday
That I will find another way
Babe
If you shut me down shut me down all the time run around
Shut me down shut me down
Shut me down shut me down
Shut me down shut me down
(Uuuh oooh uhuh uh uh baby)[CHORUS]
What ya gonna do girl
What ya gonna do
'cause ya makin' me lose me mind
All I wanna do is talk to you
But ya shut me down shut me down
All the time a run around
What ya gonna do girl
What ya gonna do
'cause I really wanna make you mine
Everytime I wanna get next to you
You shut me down shut me down all the time a run aroundI wish that I could hold your hand
I'm hopin' that you could understand
But ya playin' me all the time
Makin' me lose my mind
Girl if I could get one chance with you
Ya know I'm gonna make it all rightAnd I know one day
That I could find the one I want
There's no other way, if you
Shut me down shut me down
All the time a run around[CHORUS]Girl you're the reason I go on
JUst so ya know my feelings are so strong ohoh
But ya know I'm so I'm lost inside
And I'm needing you in my life
But everytime I get so close to you
It seems like I'm wasting my time[CHORUS]I hope someday
That I will find another way
Babe
You shut me down shut me down all the time run aroundWhatcha gonna do with a girl like me
Dont need to give me lots of material things
I wanna go to the movies,
Hang out with my friends

I wanna stay up late until after ten
You know I might be young
But I know what I like
I got my mind made up
Whos gonna treat me right
I want a boy whos real and
He's gotta be down
And if your not my type I'm gonna
Shut you down uuuh[CHORUS]Aah ooh makin me lose my mind
Oooh wooahh oooh wooahh
Ah oh wooaah
You shut me downYa makin' me lose my mind
You shut me down all the time
Uuh you always shut me down baby
I really wanna make you mine
I never seen a girl so fine
Uuh you always shut me down
