

Only You Know How To Love Me

Barbara Lynn

Shakalaka Baby by

Shakalaka baby, shakalaka baby

Shakalaka baby, shakalaka babySaw your face and the damage was done

You waked a spell that took me over

A brighter bulb right out of the sun

A lotus scented supernovaCatch the rythem, jump to the beat

The nights are warm and my words are tender

Can't escape, feel the heat

Lose yourself and the sweet surrenderAnd the planets are colliding

Fantasies are flying

Simply no denying

There you are my Bombay lover...

Shakalaka baby, shakalaka baby

This is how it's really meant to be

Shakalaka baby, shakalaka baby

Come and shakalaka with me

Shakalaka baby, shakalaka baby

Nothing here is ever what it seems

Shakalaka baby, shakalaka baby

Let me take you with me in my dreamsNo no no no no no no no no x4In a trance going out of my mind

You made a flame that keeps me burning

Come on baby, give me a sign

One look from you and the world stops turningMusic gets exciting

I need you here beside me

I know you'll satisfy me

There you are my Bombay lover...

Shakalaka baby, shakalaka baby

This is how it's really meant to be

Shakalaka baby, shakalaka baby

Come and shakalaka with me

Shakalaka baby, shakalaka baby

I just wanna love you everyday

Shakalaka baby, shakalaka baby

Promise me you'll never go awayNo no no no no no no no x4Secret moon and enchanted dreams

Pray we share many nights like these

Million stars in the sky...Oh oh, oh ohShakalaka baby, shakalaka baby

Shakalaka baby, shakalaka babyYou...Ikh buri youju aana

Hai bindiya puchyo jaana

Iise qyo poy laata pobra na

Shayee oh oh re
Ikh buri youju aana
Hai bindiya puchyo jaana ah ha ah
Qyo poy laata pobra na
Shayee oh oh re...Shakalaka baby, shakalaka baby
This is how it's really meant to be
Shakalaka baby, shakalaka baby
Come and shakalaka with me
Shakalaka baby, shakalaka baby
Loving you is all I need to know
Shakalaka baby, shakalaka baby
Now you're here I'll never let you go
Mi leke jaana
