

# N.A.M.E (Chixtape 3) you dont know my name

[Tory Lanez](#)

Making love to the beat so slow  
Making love to the beat  
Girl it sounds so slow  
Come and fuck would a G  
Girl you already know  
I got 100 on me  
For the night shawty don't you  
Leave for the night You don't know my name  
Lately all these bitches want is my fame  
You don't know that you the one  
On my brain  
I hit you with that late night text  
When I'm on the road  
Girl you know I'm trying to  
Vibe with you  
When you coming to my city  
I'm a slide with you  
Saw me dropping  
Pussy pop when  
Ever I'm with you  
Girl you might have  
Heard my songs but  
You don't know Girl I got a thing  
For you  
Hustle with them dealers  
When its time to get that  
Pling for you  
Knock it out  
The rig for you  
(Ohh ooohhh) shawty (ohh ooohhh)  
Can I get a rig for you  
On the phone or a message  
Just something  
Can we get passed all these  
One word discussions  
I need to know girl  
I need to know something Cause you don't know my name  
You don't know my name  
Cause you don't know my name

Ohh you don't know  
My name  
Cause you don't know my name  
You don't know my name  
Cause you don't know my name Girl it's obvious you got  
Some problems  
It's obvious you got some issues  
But if god sent me  
All in your life  
It's obvious I'm here  
To fix you  
When I can't go no longer  
I need someone stronger  
To hold on to get through  
And I will stay by your side  
Girl you know I'm gone ride  
Come to your rescue  
You say you know my name  
The songs that I sing  
The set that I bang  
The shit that I claim  
You don't know about me  
Cause you can't know about me Cause you don't know my name  
You don't know my name  
Cause you don't know my name  
Ohh you don't know  
My name  
Cause you don't know my name  
You don't know my name  
Cause you don't know my name I fell in love with someone who doesn't  
Even Know my name  
Know my name  
And I know this I'm ashamed  
By my name  
I'm not talking  
About the name you call me  
I'm talking about  
Who I am  
And I know you don't know my name  
She knows the songs  
That I sing  
All the shit that I claim  
Even the set that I bang  
But I'm certain  
She don't know I'm trying to figure it out

But if she's walking  
Out she  
Will never know money
