

Santa Claus (I Still Believe In You)

Alabama

You always come around this time of year
With your big ole bag that's full of Christmas cheer
And when it starts to snow, the little boys and girls
All know soon they'll hear the sound of your reindeer
Now sometimes grownups grow up to believe
That you don't really come on, Christmas eve
But I don't think that's true
'Cause I know I see you in sparking little eyes around the tree
Oh Santa Claus, I still believe in you
And there's still a kid inside of me that still believes you're true
Oh Santa Claus, the kids are tucked in tight
And it's time to play ole Santa Claus tonight
Well, I don't see how anybody could ever doubt
That there's really a Santa Claus
Not if they've ever seen a little girl
With her arms wrapped around her baby doll
So tight both of 'em waking up Mama and Daddy way before
daylight
And Grandma and Grandpa are looking young and full of life
Just knowin' that their grandkids are gonna be alright
And Mama and Daddy, they'll be waitin' up to answer ole Santa's call
'Cause tonight they ain't worried about
the bills
Lord they're just lovin' it all
Oh Santa Claus, I still believe in you
And there's still a kid inside of me that still believes you're true
Oh Santa Claus, the kids are tucked in tight
And I'll be waiting up for you tonight
Ho, ho, ho
