

Tell Her Tonight

Franz Ferdinand

I only watched her walk but she saw it
I only heard her talk but she saw it
I only touched her lips but she saw it
I only kissed her lips but she saw it Gonna have to tell her tonight
Gonna have to tell her tonight
Gonna have to tell her tonight
Gonna have to tell her tonight She only blinked her eyes but I saw it
She only swung her hair but I saw it
She only shook her hips but I saw it
She only licked her lips but I saw it Gonna have to tell her tonight
Gonna have to tell her tonight
Gonna have to tell her tonight
Gonna have to tell her tonight Hey, I have to tell her, you tell her tonight, yeah
I'll have to tell her, you tell her tonight, yeah
I'll have to tell her, you tell her tonight, yeah
I'll have to tell her, you tell her tonight, oh yeah I only watched her walk but she saw it
I only heard her talk but she saw it
I only touched her hips but she saw it
I only kissed her lips but she saw it Gonna have to tell her tonight
Gonna have to tell her tonight
Gonna have to tell her tonight
Gonna have to tell her tonight Hey, I have to tell her, you tell her tonight, yeah
Hey, I have to tell her, you tell her tonight, yeah
You have to tell her, you tell her tonight, oh yeah
