What'Cha Gonna Do About It?

Small Faces

Yeah, yeah, yeah, yeah, yeah, yeah, baby
What'cha gonna do about it?
Girl, you?ve done me wrong, now you?re runnin' back to me
Thought you were my lady, girl, you drove me crazy
Now you want the world to see
You must think I?m crazy, please, don?t think I?m blind
Don?t wanna dig your line
Even though I still love you, always thinking of you
You better believe, I got my pride
Sooner or later, love is gonna get you, sooner or later
Somehow I knew, I knew, I'd get cha, love was gonna get you
Girl, why you doin' like this, you know I still love you
Check it out
What?cha gonna do about it, girl, what?cha gonna do?
You know you done me wrong, I?m still in love with you
What?cha gonna do about? Can?t get you out of my mind
Every time, I see you this happens all the time
Girl, you made me laugh
Girl, you use to make me cry
Give me plenty of loving, kissing an' a hugging
Girl, an' that I can?t deny
Sooner or later, love is gonna get you, sooner or later
Somehow I knew, I knew, I'd get cha, love was gonna get you
Listen, I know you still love me, I can see it all over your face
So what?s up?
What?cha gonna do about it, girl, what?cha gonna do?
You know you done me wrong, I?m still in love with you
What?cha gonna do about? Can?t get you out of my mind
Every time, I see you this happens all the time
What?cha gonna do about it, girl, what?cha gonna do?
You know you done me wrong, I?m still in love with you
What?cha gonna do about? Can?t get you out of my mind
Every time, I see you this happens all the time
Knew it all the time
Makes me wanna play my guitar
What'cha gonna do about it?
Sooner or later, love is gonna get you, sooner or later
Somehow I knew, I knew, I'd get cha, love was gonna get you
Listen baby, I'm not goin' through this again, it's my turn

An' it goes like this
What?cha gonna do about it, girl, what?cha gonna do?
You know you done me wrong, I?m still in love with you
What?cha gonna do about? Can?t get you out of my mind
Every time, I see you this happens all the time
What?cha gonna do about it, girl, what?cha gonna do?
You know you done me wrong, I?m still in love with you
What?cha gonna do about? Can?t get you out of my mind
Every time, I see you this happens all the time
What'cha gonna do about it?
T-t-that's right, t-t-that's right, t-t-that's right
T-t-that's right, t-t-that's right, t-t-that's right
T-t-that's right, t-t-that's right, t-t-that's right
...
